As we mark the 6th year of the Chris Perri Memorial Billfish Tournament, we invite you to join us in honoring Chris Perri—a devoted husband, father, and friend who selflessly championed the fight against Acute Myeloid Leukemia (AML). Even in his final days, Chris believed in the power of research, and this tournament continues his legacy by raising crucial funds for AML research through an endowment at the UNC Lineberger Comprehensive Cancer Center.

**Your sponsorship offers more than just visibility, it's a chance to make a lasting impact.**

Since the tournament kicked off, we have proudly raised over \$100,000 for AML research.

In 2025, we donated \$30,000 to continue supporting these life-saving efforts, and with your help, we aim to surpass that amount this year.

Your sponsorship directly funds cutting-edge research and provides support for families affected by AML.

***Together, we can make 2026 our most impactful year yet!***
